

Accreditation Overview

OEIS 10th Annual Scientific Meeting On-Demand

Hardware / Software Requirements

- An internet connection speed of at least 4Mbps and a modern browser
- Modern browsers have a built in PDF reader which would be necessary for you to view your completion certificates.

Release Date: 7/1/23

Expiration Date: 7/1/24

Target Audience

Physicians, surgeons, residents in training and allied personnel in the fields of vascular surgery, interventional radiology, interventional cardiology, and other outpatient interventionalists involved in office-based endovascular procedures.

Learning Objectives

At the conclusion of this activity, participants should be able to:

- Describe current practices and new developments in the outpatient office-based management of patients with arterial, venous, and coronary artery disease undergoing interventional procedures.
- Discuss new management and therapeutic approaches to patients with these conditions.
- Identify current and upcoming changes in the practice of vascular surgery, interventional cardiology and interventional radiology in the setting of the new health care reform.
- Implement changes into their practice to improve patient health outcomes.

Activity Goal

This activity is designed to address the following core and team competencies:

Patient Care, Medical Knowledge, Practice-based Learning, Professionalism

Non-Endorsement

The accredited provider verifies that sound education principles have been demonstrated in the development of this educational offering as evidenced by the review of its objectives, teaching plan, faculty, and activity evaluation process. The accredited provider does not endorse or support the actual opinions or material content as presented by the speaker(s) and/or sponsoring organization.

Disclosures

The accredited provider adheres to accreditation requirements regarding industry support of continuing medical education. Disclosure of the planning committee and faculty's commercial relationships will be made known at the activity. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations. - *All employees in control of content have no relevant financial relationships to disclose.*

All relevant financial relationships have been mitigated. The following participants have **No Relevant Financial Relationships to Disclose**: *Curtis Anderson, MD, PhD; Ali Babar, MD; Robert Beasley, MD; John Blebea, MD, MBA; Harry Curley, MBA; Alex Dabrowiecki, MD; Kavi Devulapalli, MD, MPH; Fakhir Elmasri, MD; Mike Ferguson; Gary Herschman, JD; Murad Hussain, JD; William Julien, MD; Dianne Keen, FRBMA; Robert Kennedy, MD; John Lipman, MD, FSIR; Rachel Piechowiak, DO; Kyle Sheiko, MSA*

Accreditation

In support of improving patient care, this activity has been planned and implemented by Cine-Med and Outpatient Endovascular and Interventional Society. Cine-Med is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

Physicians

Cine-Med designates this enduring material for a maximum of 17 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Nurses

This activity provides 17 contact hours for nurses.

Other Healthcare Professionals

All other healthcare professionals will receive a Certificate of Participation. For information on the applicability and acceptance of Certificates of Participation for activities designated for *AMA PRA Category 1 Credits*[™], consult your professional licensing board.

Certificates: To claim your credits, complete the online Credit and Evaluation form using the following URL: <https://cine-med.com/certificate.php?redirect=oeis2023od>

NOTE: This is a one-time credit submission. Credits should be tracked only after all the intended recorded sessions have been viewed. Participants will be able to download or print a certificate once the form has been submitted.

Commercial Support

This activity is being provided independent of industry support.
